

# God brings Dorcas to life again after Peter prays.

Acts 9:32-43

Dorcas loved to help other people. She made clothes for others. She always helped the poor. She always tried to do good things. All the people in her town really loved her.

But Dorcas got very sick, so sick that she died. Her friends were very sad. Some of Dorcas's friends heard that Peter, Jesus' friend, was in a nearby town. They went to see Peter, and asked him to come to see Dorcas.

Peter came. Dorcas's friends took him to the room where Dorcas was. Peter told them all to leave the room. Peter got down on his knees and prayed. Then Peter looked at Dorcas and said, "Dorcas, get up." She opened her eyes and sat up. Peter helped her up and led her downstairs to where her friends were waiting. She was alive! Many people in Dorcas's town believed in Jesus because God made Dorcas alive.
